- These are the licence terms of type-foundry Bold-Decisions-NL.
- These licence terms, together with the specific licence we agree with you, form the agreement between us (end user licence agreement). 'You' are the (legal) person who is our customer.
- Each licence we provide is limited in scope - to a particular use and to specific usage parameters. The scope of your licence is agreed between us in writing and confirmed by us in our invoice. Any use beyond this scope is in violation of our rights and requires an additional licence.
- Use of our digital typefaces without a licence, or outside the scope of a licence, is in breach of our intellectual property rights and will face enforcement action.

1. How these licence terms apply

- 1.1. These licence terms apply to all our offers, to the orders you place with us and to the agreements and other legal relationships between us. These licence terms also apply to subsequent and additional offers, orders and agreements, and to new agreements between us.
- 1.2. These licence terms are presented to you in our web-shop before you place your order, or sent to you before we reach agreement if you connect with us directly. In each case you can review these licence terms and have the option to save or print them for later examination.
- 1.3. These licence terms are also easily electronically accessible on our website. Upon request they will be sent to you without delay and at no cost.
- 1.4. Any terms and conditions of yours are expressly rejected and do not form part of our agreement. Deviations from these licence terms are in writing and apply only to a specific order or agreement.

2. Formation of the agreement

- 2.1. Our offers are made without obligation.
- 2.2. Our offers are presented to you in our online ordering process on the basis of your specific request, or in other ways identified by us as such. General offers on our website, in newsletter emails and in promotional materials are for information purposes only and are not considered as offers.
- 2.3. You may accept an offer by making payment in the ordering process. Upon receipt of your payment your order is placed and the agreement is formed. All orders are subject to these licence terms.
- 2.4. We shall confirm your order by email.

3. Delivery

- 3.1. We shall deliver the digital typeface of our agreement to you without undue delay after receipt of your payment, by sending you a file that allows for installation.
- 3.2. Any delivery times communicated or agreed are estimates and are not to be considered fatal terms or guarantees. We can offer best efforts only to deliver the digital typeface we agreed in accordance with the estimated delivery times.
- 3.3. Returns or refunds are excluded.

4. Licence

- 4.1. Upon the formation of our agreement, you are provided with a non-exclusive, non-transferable and non-sublicensable licence to use the specified styles and weights of the digital typeface of our agreement with the limitations of the specific licence that are agreed upon.
- 4.2. We distinguish several different specific licences. Which specific licence or licences you require, and the limitations that apply as a result of the one(s) you purchase from us, is determined by your use and your audience. Please see our website for the different specific licences we offer.
- 4.3. You will render each and every document you share with third parties in which our digital typefaces are used 'uneditable' in order to prevent that our digital typefaces can be copied from documents.
- 4.4. For the avoidance of doubt, your group companies, design agencies and contractors, such as freelancers, need to purchase licences of their own. You will inform such third parties thereof.
- 4.5. You may provide a copy of our digital typeface to a printer, solely for it to be able to print a document without modifications on the basis of your instructions. The printer must delete our digital typeface immediately after the instruction has been carried out, for which you are liable as against us.
- 4.6. Any use of our digital typefaces outside the scope of your licence gives us the right to terminate your licence with immediate effect. We are not liable for any damage that is the result thereof.
- 4.7. Each licence is provided on the condition precedent of full and final performance of your payment obligations against us.

5. Trial licences

- 5.1. We may provide trial licences that allows you a limited time period to test a digital typeface and present it to a client who may want to purchase a licence from us.
- 5.2. The use of such trial licences must respect the purpose limitation of testing and presenting and the trial licence automatically terminates without notice after 3 months following receipt of the files. Files must be deleted immediately after termination of the trial licence.

6. Fees and payment

- 6.1. In consideration of the licence we provide to you, you shall pay us the agreed licence fee.
- 6.2. The licence fee will be paid in advance, as part of the online ordering process as referred to in article 2.3 or on the basis of an invoice in case you connect with us directly. Your right to set off or suspension of payment obligations is expressly excluded.

- 6.3. In case of late payment, you are in default by operation of law without notice and interest is due to an amount of 1% of the invoice amount outstanding per month. Part of a month shall be construed as being a full month. Payment is late when the amount due has not yet been received on the bank account that was written on our invoice on the first day after the payment term on the invoice passes.
- 6.4. You are liable for all judicial and extrajudicial costs incurred by us in enforcing payment of invoices, to a minimum of 15% of the invoice amount outstanding inclusive of interest due. In the event that we are forced to start legal proceedings to enforce payment of invoices, you shall pay the actual costs thereof, among which reasonable legal fees, fees of court representatives and court fees, also if these rise above what the court orders you to pay.

This includes trial licences.
- 7.2. The auditor will sign a non-disclosure agreement with you and the inspection will not extend beyond what is reasonably necessary to assess the use of our digital typefaces within your organisation. The costs of the inspection are borne by us, except in case a material breach of our agreement is established, in which case the costs are reimbursed by you.
- 7.3. In case of a breach of your licence limitations, you will pay additional licence fees to us, to cover the total actual use of our digital typefaces. This shall cover the entire time of use up to the inspection and shall amount to a fee of 3 times the normal fee, with a minimum of € 5,000.- excluding VAT.
